Hi:

One of the staff received a FOIA request sent to her. Leslie came and asked me who should she give it to so it goes to the correct people. I said she could send it to me and I would send it to the FOIA Office. The FOIA is attached. Thanks.

Hello Noreen,

This FOIA request came in but not through the actual system. Can you please send it to the appropriate personnel.

Thanks!
Leslie

Subject: Keystone Corridor Groundwater Contamination NPL

Good Afternoon,

I am working on a Phase I Environmental Site Assessment (ESA) of the Harbour Pointe Apartments located at 4400 East Fall Creek Parkway North Drive in Indianapolis, IN and have identified the following federally-regulated facility as a potential Recognized Environmental Condition (REC) and/or Vapor Encroachment Condition (VEC):

Facility Name: Keystone Corridor Groundwater Contamination
Property Address: Intersection of N. Keystone Avenue, Indianapolis, IN
Record Type: NPL/Superfund site
Site ID #: INN000510399

Additional facility details are provided on the attached Site Detail Report and the EPA Fact Sheet from November 2016.

I would like to request a copy of your public records available specific to the facility listed above. If possible, please provide the following information in your response.

1. estimated cost to receive a copy of the files
2. estimated timing for receipt of files
3. estimated size of files (such as number of pages, number of boxes, or an index of documents)

4. contact information for the individual that will be coordinating my request
5. any agency specific information that will impact my request (i.e. copies must be made in person, files will be sent electronically, etc.)

Thank you for your assistance with my request.

Thanks,

Ashley Miller, EP
